|--|---|--|------------|------------|
| <b>Initial Term Supply Rate</b>                  | Customers who use:  | 500 kWh  | 1000 kWh   | 2000 kWh   |
|  | Your rate for electricity throughout your Term: (Avg. Price per kWh)  | 7.84 ¢/kWh   | 7.84 ¢/kWh | 7.84 ¢/kWh |
|  | <b>Fixed Rate:</b>  | During your Initial Term, you will pay YEP the price per kWh set forth in the above table. This Price includes your Transmission Charges, Electric Generation Service Charges, and the Gross Receipts Tax. |            |            |
| <b>Initial Term</b>                              | <i>Fixed Term: 6 Months</i>   |  |            |            |
| <b>Incentives/Plan Details</b>                   | N/A   |  |            |            |
| <b>Effective Date</b>                            | After you enter into the Agreement, your Effective Date is the next meter read date after your electric generation supplier is changed to YEP by the EDC, except to the extent: (i) a later service start date has been set forth in your Enrollment Authorization (as defined in Article III of your Terms and Conditions and Disclosure Statement), and (ii) YEP has accepted and agreed to such later service start date.            |  |            |            |
| <b>Deposit Requirements</b>                      | No deposit is required with this plan.  |  |            |            |
| <b>Cancellation and Early Termination Fees</b>   | Your Early Cancellation Fee equals \$10.00 times the number of months remaining in your Agreement's Initial Term. There is no Early Cancellation Fee if you cancel your Agreement within 30 days prior to the expiration of your Agreement's Initial Term.  |  |            |            |
| <b>Renewal Information</b>                       | YEP will send you an expiration notice 45-90 days prior to the end date of your contract. Should you fail to renew, a second expiration notice will be sent 30-45 days prior to your end date. Should you fail to renew, your plan will continue on a month to month basis, at the then prevailing market prices. No early termination fee shall apply upon expiration of your term.  |  |            |            |
| <b>Statement Regarding Savings</b>               | YEP Energy will endeavor to offer you the lowest prices available and offers long term fixed rate plans to secure your rate up to three years. The supply price above may not always provide savings versus the market conditions in the future. However, you can rest assured that your rate is truly fixed and that your rate will protect you against potential rate increases that are a part of the market's cyclical fluctuation. |  |            |            |
